TFP Corner

With the 2024 season now underway we want to wish all the teams at Maldon CC the best of luck as they chase promotions, wins and personal achievements over what we hope is a good, dry and warm summer!

We would like to extend a special welcome to TFP sponsored Alex Pyecroft to the club, and we can't wait to see him tear through opposition batting line-ups as well as seeing the impact he has on the whole club.

Like facing Alex on a damp April grass covered wicket, we know that thinking about and planning your retirement can be very tricky to navigate so if anyone within the club would like to have an informal conversation about their retirement plans then please book in a time for us to have a chat [click here](#):

And, as a starter for ten please help yourself to a free copy of a brilliant book we give to all our clients by filling in the form by [clicking here](#). If you want a physical copy then drop me an email at dan@tfp-fp.com with your address and I will pop one in the post.

2024 Preview

The 2024 season is dawning, with the club having over 160 fixtures across all of our teams.

The first team are returning to Division One after a highly successful campaign last year in promotion last year with four games to spare. The first team squad has been bolstered by Alex Pyecroft (pictured).

Alex possesses a superb cricketing CV, having represented Tasmania in 8 first class matches. During these matches Pyecroft took 22 wickets at an average of 31, with a best of 5/28 against Queensland in 2018. He can count Australian test match players Steve Smith and Marnus Labuschagne amongst his victims in an impressive career record.

Alex has spent many years in the UK as a professional player for several clubs at Premier League level. Last year he represented Marshfield in the Bristol Premier League, scoring almost 700 runs at an average of 44 while also taking 33 wickets at 15 runs apiece.

Off the pitch, Alex is already well-known to club members having attended many club events in recent years.

He is a Level 4 coach, adding serious knowledge and expertise to the club having been Tasmanian Tigers & Hobart Hurricanes Female Senior and Pathway Lead Coach.

2024 Preview Cont...

Speaking of the club's new addition, 1st XI captain Ross Walpole said *"Alex has been well-known to the club for many years, and this is the culmination of several efforts on both sides to come together. We are delighted to welcome Alex into the club, and we can't wait to see what he can add to our already strong squad this summer. We feel his signing is a real indication of our aspirations for the years ahead."*

Ross also added that *"I am pleased that Max (Bryant) has recovered from his foot injury over the winter as he is an integral part of the first team. I am also really pleased to see the hard work that many of our younger players have made over the winter at nets and getting to know them better. I am hopeful to see this progression pay off over the course of a long summer and allow us to challenge at the top of Division 1."*

The second and third team will be looking to improve on their league position from last term of 8th and 7th respectively.

The fourth team have a new captain with Jaz Bains moving from Sunday to Saturday captaining. Jaz is looking to continue to give everyone a game in the fours and use this as a pathway for our Under 15s into open aged cricket.

Joe Gregory has been appointed the new Sunday captain. He has targeted success in the Warsop league and is hoping for a youthful core to his team to achieve this

Ladies captain Bethan Bailey is "delighted" with the additions that she has made to the Ladies squad in the off season and is looking to give her team the opportunity to develop further in the forthcoming summer.

Simon Hull has Head of Colts Cricket commented that he is delighted to see the improvement in so many juniors players in the winter particular in the Under 11s and Under 13s section which is encouraging to our club as a whole.

2024 Ground Force

We were delighted that the pitch maintenance team have all met up in the last couple of weeks. As a group, they look forward to preparing pitches at both Drapers and the Prom in 2024.

Statto's Stats:

2023 saw a record-breaking statistical summer. Chris Harris got two consecutive double hundreds. Chris beat the club record highest score with 263 not out against Copdock & Ol in June. This was the fifth highest individual score recorded on Play Cricket in 2023. He also beat the opening partnership records in two consecutive week with Ross Walpole. The first team beat the club highest score of 418-3 against Copford. Chris became the first player to score 1,000 in a summer since 2017.

There were other batting records in 2023 with David Richardson getting to 10,000 runs. New club captain Andy Barnes, Jimmy Ainscough and James Ellis all getting to 9,000 runs. They start 2024 ten runs apart and they are now all within reach Paul Bardo, Keith Bannister and Dave Gozzett run tally in 2024. Jake Collins scored his 8,000th run against Earls Colne on the final day of 2023 and was promptly dismissed the very next ball. Paul Gregory also reached 2,000 runs for the club.

It was also pleasing to see Tom Doherty make his first senior fifty for the fourth team. It was also pleasing to see Bethan Bailey, Sarah Welton and Jessica Pugh making all of their highest scores for the club in 2023. Joe Gregory having a breakout summer in 2023 with 613 runs including five fifties and Cameron Blackboro getting 91 for the twos in a last over win against Eight Ash Green. The threes also achieved their record chase of 282 at Boxted in June. Harry Grant got a personal best for the club of 81 not out versus Copdock & Ol. He is also one of the best catches I have ever seen from a Maldon player on that day.

Moving ahead to 2024 Ian Elliott needs 187 runs to reach 30,000 club on his own. Will this record ever be beaten? Max Bryant needs a further 107 runs in 2024 to join the 6,000 run club.
